jefferson at silicon beach

11936 Jefferson Blvd, Los Angeles, CA 90230

modern and functional silicon beach office

A **rare opportunity** for the owner user or investor to purchase in a highly visible, prime location which is steps from the **Playa Vista development**. The **two-story garden style building** was originally custom built for the owner and contractor to function as his executive offices. This was all done with meticulously upgraded details, a well thought out floor plan and quality construction.
